Water reserve project on Chambal river

†238.SHRI LALIT KISHORE CHATURVEDI: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether it is a fact that there is not any water reserve project on downstream Chambal river after Kota barrage in Rajasthan;

(b) whether it is also a fact that the State Government of Rajasthan had sent some proposals for this on which no decision has been taken yet;

(c) whether it is also a fact that sanctions have been kept pending due to various reasons and pretexts;

(d) whether it is also a fact that the power generation programme is also connected with these projects by which the State is incurring losses; and

(e) if so, by when sanctions would be given?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI JAI PRAKASH NARAYAN YADAV): (a) Yes Sir,

(b) and (c) There are at present two major projects on Chambal river below Kota Barrage under appraisal in Central Water Commission namely Pipalda Lift Irrigation Project and Indira Lift Irrigation Project. Besides, one preliminary report namely Dholpur Lift Irrigation Project is currently under examination prior to preparation of the detailed project report. The time taken for completion of appraisal process depends upon the promptness with which State Governments submit compliance to the observations of central appraising agencies.

(d) No, Sir.

(e) Does not arise.

Flood affected area in the country

†239.SHRI SHIVANAND TIWARI:

SHRI RAM JETHMALANI:

Will the Minister of WATER RESOURCES be pleased to state:

†Original notice of the question was received in Hindi

(a) whether it is a fact that 40 million hectare area of land is still estimated as flood-affected;

(b) if not, the details thereof;

(c) the area of land in the country bearing impact of above flood affected areas, State-wise;

(d) whether any plan has been made by Government to declare these flood affected areas as flood prone; and

(e) if so, the financial assistance given to States from 2004 till date, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI JAI PRAKASH NARAYAN YADAV): (a) to (c) In 1980, Rashtriya Barh Ayog (RBA) assessed the flood prone area in the country as 40 million hectare. However, the States reported to the Working Group of XI Plan that the flood affected area is 45.358 mllion hectare as per the details given in Statement-I (*See* below).

(d) and (e) No such specific plan has been made by the Government of India except the assessment of flood prone area by RBA in 1980. However, Government of India is providing central assistance to the States through various plan schemes for flood management in critical areas.

The central assistance amounting to Rs. 971.13 crore has been released to the States, from 2004 to 31.01.2009, under the plan scheme coordinated by Ministry of Water Resources. State wise details are given in Statement-II (*See* below).

Statement-I

Area Liable to Floods as reported by States to the XI Plan Working Group

(Area in million ha.)

Sl. No.	Name of States/UTs	Flood Prone Area as reported by States to the XI Plan WG
1	2	3
